* Operates a dairy farm and a distributing plant from which there is route disposition in the marketing area during the month. §1032.10(a)

** A plant that is operated by a governmental agency that has no route disposition in commercial channels; or

A plant that is operated by a duly accredited college or university disposing of fluid milk products only through the operation of its own facilities with no route disposition in commercial channels; or

A plant from which the total route disposition is for individuals or institutions for charitable purposes without remuneration; or

A plant that has route disposition and packaged sales of fluid milk products to other plants of 150,000 pounds or less during the month. §1000.8(e)

*** Nonpool plant that is not a plant fully regulated under another Federal order, a producer-handler plant, or an exempt plant, from which there is route disposition in the marketing area during the month. §1000.8(c)
